#### Day 3 - THURSDAY

Pyramids of Giza / Great Spinx / Museum of Antiquities Cairo

After buffet breakfast meet at the hotel's lobby to explore desert antiquities dating from the beginnings of a civilization that arose more than 5,000 years ago. In the company of our Egyptologist specialist guide, we venture through the countryside to visit some of Egypt's oldest sights. We first visit the Moslem sector where you can see Salah El Din Citadel, followed by Mohamed Ali Mosque, from here the Pyramids of Giza. Nothing evokes the long and intriguing history of Egypt as powerfully as the pyramids. Rising from the desert, Khufu (Cheops), Khabra and Menkaura seem to symbolize the enigmatic tug of Egypt in our imaginations. The Great Pyramid of Cheops immortalizes the son of Sneferu and Hetepheres. Though little is known of this pharaoh, his monument, the largest of the three, is comprised of 2.3 million stone blocks, each weighing an average of 2.5 tons. We shall also visit the colossal statue of the Great Sphinx, which has stood guard over the pyramids for more than 4,500 years. Carved from an outcrop of rock, the Sphinx remains the ultimate symbol of Ancient Egypt with its lion's body and human head. The history and the lifestyle of ancient Egyptian pharaohs come alive before our eyes through the skilled narrations of our specialist guide. Then we will visit the Museum of Antiquities in Cairo. The museum houses the greatest collection of pharaonic treasures in the world. Our guide will show us the highlights of these artifacts, including the Tutankhamen Collection of golden treasures and acquaint us with the museum's expansive collections.
